

CLUBHOUSE & POOL RULES

Below are the more important Clubhouse & Pool rules. They are intended to remind all residents of the rules and to stress the importance for cooperation, compliance and safety.

CLUBHOUSE

1. No persons under the age of 18 are allowed in the Fleetwood Clubhouse, showers or bathrooms UNLESS accompanied by an adult. The exception to this is that anyone in the pool area can use the bathrooms that are accessed by the side doors without supervision.
2. No persons under the age of 18 are allowed in the exercise room under any circumstances. Any persons 18 or over that are using the exercise equipment should follow all instructions for use of the equipment. If you have never used a specific piece of equipment, get someone to orient you to it before using. **ALL EXERCISE MACHINES ARE TO BE USED AT YOUR OWN RISK.**
3. The copy machine is provided as a convenience for residents ONLY. Also, please use it judiciously and conservatively as well as following all instructions. Be sure to turn the copier OFF when finished and clean up any trash.
4. Individual(s) responsible for Fleetwood or Private Parties are also responsible for cleaning up after the party, including vacuuming the floors, washing dishes, wiping the tables and kitchen countertops, emptying trash into the proper bins, and returning everything to its original location (including dishes, pots & pans, silverware, etc.).
5. No attachments to walls, trim or other interior surfaces and no removal of existing décor items that have been approved by the Board and installed by the Clubhouse Committee – unless requested and written permission is granted by the Board.
6. Turn off all lights, inside and out, and lock all doors before leaving.
7. This is YOUR facility. Take care of it like you would your home.
