

Reminders for Pool Use (Please remind all guests) 6/2013

Animals

No animals are allowed in pool area or clubhouse at any time even if on a leash.

Glass

No glass in pool area is allowed including bottled drinks. If glass pour into a plastic container before coming to the pool.

Using Pool

If you are using the pool you must use the back bathrooms including for changing. Do NOT GO THROUGH THE CLUBHOUSE.

Pool Toys

Please return all toys to INSIDE the container. Stack rafts behind the container. If you have guests instruct the guests and make sure an adult supervises.

Garbage

Either take your garbage home or put in proper containers inside clubhouse. Trash and recyclables in men's back bathroom.

Furniture

Please place all furniture back to original place.

Securing the Clubhouse

Lock all doors that you open. Do not think the next person using the pool will notice that the clubhouse is unlocked. The men's back bathroom should be left UNLOCKED during week days for the workmen and the inside men's bathroom should always be kept locked.

Expensive Toilet Repairs – Please put only human waste and toilet paper in toilets. We've had great expense this summer because of non-compliance.

If you have guests using the pool and do not accompany them please make them aware of rules.

Thank you for your cooperation in this. We do not have daily oversight so we need everyone using our property to care.

Sandy Marcus, President Fleetwood Regime and Pool Operator
