

On November 16, 2016, the Board approved a change in the language of the Fleetwood Rules and Regulations. The fifth bullet item under “Usage” states, “No nuisances, as determined by the Board, shall be allowed upon the condominium property.” The Board action added the following sentence to appear immediately after:

Except in the case of an emergency, noise generated by construction or other maintenance work prior to 8:00 a.m. or after 7:00 p.m. is considered to be a nuisance.
